

10 MARCH 2010

Dear Parents, Schools, Youth Groups, Clubs, Churches and Charities

We may not be in New Orleans or Notting Hill, but we want you to be a part of the biggest festival Bramhall has ever seen.

Inspire us with your wonderful themes;

Last year's winners were a small indiscreet group of Rainbows, dressed in their uniform red. We were entertained with short bursts of country dancing from Hursthead Junior School, Moss Hey's children dressed as characters from Alice in Wonderland and we had some colourful princesses from Dance at the Smithy to lead our procession.

Bring balloons, banners and your biggest smiles and enjoy the day that is:

Bramhall Festival

19-20 JUNE 2010

Please have a look at last year's events on YouTube where you will find links to making banners & you can watch the whole event. Look for 'Bramhall Festival 2009'

Please start thinking of themes for your group, (it may be Pownall Green's colour yellow!) and contact us with details of any shows you would like to perform.

We need your group's information by 4 June 2010 to ensure we have enough safety staff in place.

We will advertise all performances in flyers - deadline for submitting information is May 15th.
